

**SUPERIOR COURT OF THE VIRGIN ISLANDS  
DIVISION OF ST. CROIX**

**IN RE: COMPLEX LITIGATION CASES PENDING ) CASE NO. SX-19-MC-035  
IN THE SUPERIOR COURT OF THE VIRGIN ) COMPLEX LITIGATION DIVISION  
ISLANDS. )  
\_\_\_\_\_ )**

**STANDING ORDER NO. 10**

**IN FURTHERANCE OF** Virgin Islands Rule of Civil Procedure 1, and in order to keep costs down and reduce the volume of paper generated in complex litigation cases, the Court hereby directs that counsel shall **DISCONTINUE** filing notices to alert the Clerk's Office of papers being filed for a case in the other division. All cases filed in the St. Thomas/St. John Division are prefaced by "ST" and all cases filed in the St. Croix Division are prefaced by "SX". The Court takes note that, before the Superior Court changed its case numbering system, there would be two cases numbered Civil No. 123/2000, one filed in the St. Thomas/St. John District and another filed in the St. Croix District. Since the "ST" and "SX" prefix identify which division a case was filed in, there is no need for serving and filing a separate document titled "Notice of Filing in Other Division." The additional paper increases costs for litigants, burdens the Clerk's Office with more paper to scan and docket, and has outlived whatever usefulness it may have once had. Counsel shall cease filing such documents for cases pending in the Complex Litigation Division.
